1971DW Two Week Game delayed again BOO HISS Tar and feathers accepted.

I'm really sorry, I shouldn't have even broached the two week game as I don't believe that two weeks is enough time to negotiate, but most of you want it and payed for it. I said ~~most~~ most, one player definitely won't play 2 weeks, but I have a late entrant for a two week game, plus a new four week game, so the dissident gets into the new game and the latecomer takes his place in this game. next page please----

New playing RUSSIA in place of Bob van Andel;
